

Attunga youth camp INTERNSHIPS 2009

Designed to develop young Christian leaders through discipleship, training, evangelism opportunities and practical application of their ministry gifts, our program leads our interns to spiritual maturity and a deepening of their walk with Christ.

Who Should Apply?

Anyone aged 18 to 30 who is serious about serving God and further developing their practical gifts in a ministry setting should apply.

Applicants should be physically fit and active, have a servant's heart, a strong desire to grow in the Lord and be passionate about sharing their faith. Also important is a sincere commitment to personal purity, holiness and discipline in spending daily time in God's word and prayer.
